															_

^a Applicable only to six villages where ICRISAT conducted VLS studies in India in 1975-84. ^b Seasons: Rainy (Kharif), Post rainy (Rabi), Summer, Annual, and Perennial

Note: If crop fails, show the labor use for harvesting as zero and write the name of the crop and put zero in output column.

OW=Own land, SI=Leased-in on crop share, LI=Leased-in on fixed rent, SO=Leased-out on crop share, LO=Leased out on fixed rent, MI=Mortgaged-in, MO=Mortgaged-out.

^d Tick whichever is applicable.

e 1=Local, 2=Improved/HYV, 3=Hybrid, 4=BT, 5=Others (Specify:______).

^f Based on the area occupied by each crop.

g Material inputs such as manures, fertilizers, pesticides, and seed to be recorded by name. Use codes for machinery use such as Tractor, sprayer, Duster, Electric Motor/pump, Harvester cum thresher, Fertilizer cum seed

^h Main production, Seed and Fertilizers in Kgs. By-products, FYM and Tank silt in Qt. Pesticides in Lt/Kg. Tractor, Sprayers, Dusters, Pump sets and Thresher in Hours. ⁱ 1=Own, 2=Purchased, 3=Loan/credit, 4=Hired, 5=Others including gift or barter exchange.
